To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/03/2024.

On September 27, 2022, an officer reviewed the judgment with Mr. Compogno. He signed the judgment acknowledging an understanding of his conditions of supervision.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

2

Special Condition #5: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: It is alleged Mr. Compogno is in violation of his conditions of supervised release by using methamphetamine on or around November 29, 2024.

On December 3, 2024, the undersigned officer contacted Mr. Compogno at his residence to discuss his recent arrest for driving under the influence. A random urinalysis test was collected, which yielded a positive finding for the presence of methamphetamine. Mr. Compogno admitted to the use of methamphetamine on November 29, 2024. He signed a drug use admission form.
